

# Caring for Maryland

The acute care hospitals in Maryland are all nonprofit organizations

**In one year hospitals:**

Care for **1,700,000 ER patients**

Care for about **522,000 patients** in hospitals across the state

Treat **4,500,000 outpatients**

Deliver **67,000 babies**

Bring **\$34,890,000,000** into the state's economy

Spend **\$857,000,000** on care for patients unable to pay—\$2,350,000 a day in FY22

Spend nearly **\$2,000,000,000** on community benefit

Saved **\$269,000,000 (CY 22)**—and more than \$2,200,000,000 since 2013—**under the Total Cost of Care and All-Payer models**

**Employ over 109,500 people** and support an additional **117,700 related jobs**
