

Sponsorship Opportunities

2024 Annual Membership Meeting

June 10 - 11, 2024
Four Seasons Hotel | Baltimore, Maryland

As the leading advocate for Maryland hospitals and health systems, MHA is at the forefront of the major issues affecting communities in our state. This sponsorship program offers companies the opportunity to connect directly with hospital and system leaders and executives.

MHA's Annual Membership Meeting is the Association's main event, attended by senior executive leaders and board members from Maryland hospitals and health systems.

The in-person event is a unique opportunity for your organization to gain insight into the health care industry at the national, regional, and local levels. More than 150 hospital leaders attend each year, including chief executive officers, chief financial officers, chief medical and nursing officers, board chairs, and other C-suite executives.

For more information, contact Johnny Tolbert, Director, Association Affairs
