

[Hospital/Health System Name] Celebrates National Hospital Week May 7-13

Elkridge, Md. – National Hospital Week, May 7-13, is an opportunity to appreciate the people who provide lifesaving care to Marylanders 24 hours per day, seven days per week, 365 days per year.

National Hospital Week provides an opportunity to highlight health care teams and the compassionate and dedicated ways they support the needs of their communities.

This annual celebration recognizes hospitals and their employees, who improve and sustain a healthy Maryland through high-quality care, constant innovation, and unwavering dedication.

[Hospital/Health System Name] on average cares for [Number] of people each year and supports our community outside of our four walls, including by helping to ensure access to healthy food, safe housing, and more.

[Quote from Hospital/Health System President/CEO]

Join us in celebrating National Hospital Week, May 7-13, as we say thank you to the hospital caregivers who make a difference every day.
