Welcome Remarks

Mary Pat Seurkamp, MHA Chair

Annual Business Meeting

Member hospital CEOs will vote on the association's fiscal 2019 budget and new Executive Committee members. (Materials will be distributed in advance.)

Introduction of New MHA President & CEO

MHA Chair Mary Pat Seurkamp will introduce the association's new President & CEO, Bob Atlas, selected after an exhaustive nationwide search and approved by MHA's Executive Committee and Board in February.

FOR Patients FOR Communities FORward

Bob Atlas, MHA President & CEO

MHA has been blessed with solid and consistent leadership over the years, from Dick Davidson to Cal Pierson to Carmela Coyle. As the fourth President & CEO of MHA during its 48-year history, Bob will share his philosophy as a health care leader, and his vision for MHA as your chief advocate.

The Buried Life

Ben Nemtin, #1 New York Times bestselling author of What Do You Want To Do Before You Die?, the star of the television show The Buried Life, and an internationally renowned keynote speaker

As the co-founder of The Buried Life movement, Ben's message of radical possibility has been featured in major media including The Today Show, The Oprah Winfrey Show, CNN, FOX, ABC, CBS, NBC News, and more.

Ben Nemtin's story begins 10 years ago. Fed up with the monotony of day-to-day life in college, Ben and his friends set out on a two-week road trip with a camera and a borrowed RV to complete a list of "100 things to do before you die." For each item they accomplished on their list, they helped a complete stranger cross something off their own list.

Addiction: A Futurist's Perspective

Omar Manejwala, M.D., Addiction psychiatrist and Chief Medical Officer at Catasys, a national health services management company; Author, Craving: Why We Can't Seem to Get Enough; former Hazelden Foundation Medical Director

Dr. Omar is widely regarded as one of the nation's leading experts on addiction. Amid the worst opioid epidemic in history, Dr. Omar will share how our thoughts, actions, and experiences play a role in making self-destructive behaviors worse, and will describe the key forces that will shape the future of addiction prevention, treatment and recovery.

The Role of Health Care Providers in 21st Century Medicine

Atul Gawande, M.D., Renowned surgeon and researcher, Author, Professor, Harvard T.H. Chan School of Public Health and Harvard Medical School, Executive Director, Ariadne Labs

A health care visionary, Dr. Gawande will share his unique perspective on the complexities of modern health care, the values that make for a healthy society, the future technology that will change our field, and how to reform systems to make it all work. Dr. Gawande's vision to improve performance is one of the reasons he is among the most sought-after innovators in medicine.

His book, *Being Mortal*, will be distributed to all attendees, and there will be an opportunity to meet Dr. Gawande and have him sign your book.

12:30 p.m. Adjourn

Boxed lunches will be available for carry out or to enjoy with colleagues in the meeting room.
