# MHA COVID-19 UPDATE

**September 11, 2020**

## **FAQ: HHS Daily COVID-19 Data Reporting**

MHA continues to seek clarity on evolving guidance from the U.S. Department of Health and Human Services (HHS) on COVID-19 daily data reporting. In response to questions from members, MHA compiled the attached document from conversations and emails with HHS and CMS. MHA will continue to update this document with the latest guidance and resources for hospitals. For specific questions you'd like to have answered, contact [Katie Eckert](#) or [Ahmed Elsayed](#).
